This Book is Dedicated to my Father Late Shri Chandrashekar Nayak had an impoverished background, was uneducated and a man of very limited means. He was a small time vendor selling home made snacks. Despite his hardships what stood out was his sincerity. He gave people only the best. Although he prepared a few items, they were of the best quality. He never cut corners. In spite of his meagre earnings, he never hesitated to donate money for a good cause. I draw my inspiration from him and try to uphold his values.

## THE SECRET OF **SUCCESS** IS SINCERITY...

To give real service you must add something which cannot be bought or measured with money and that is sincerity and integrity

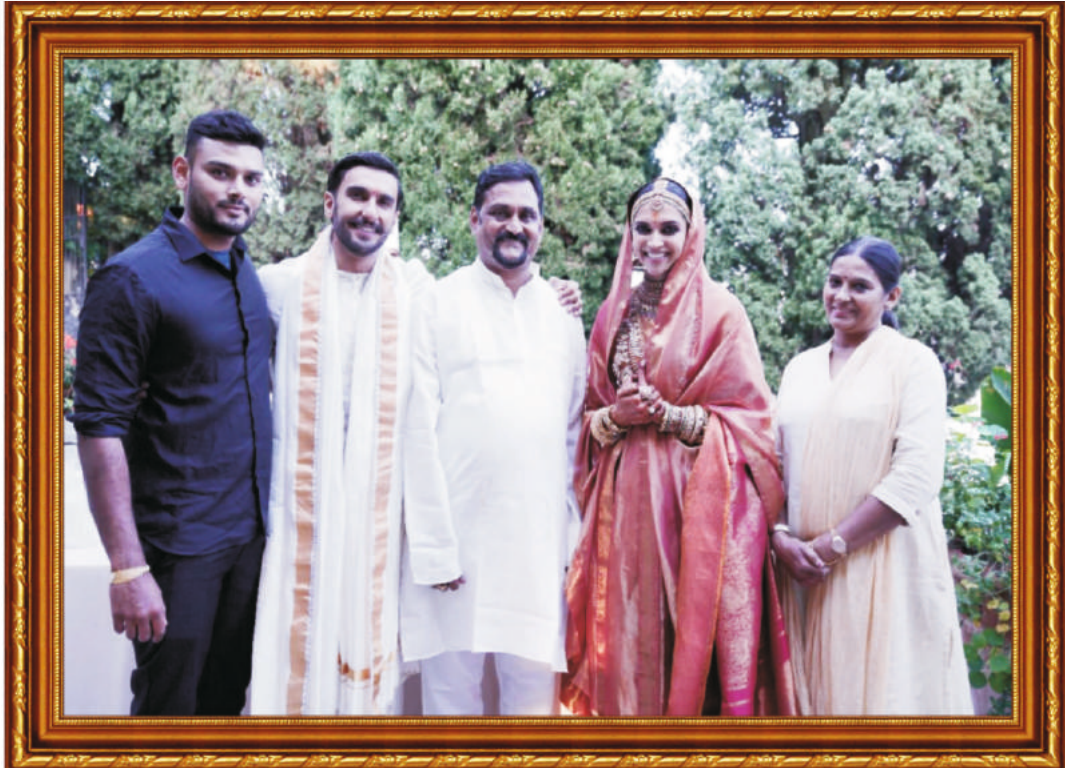

## BEHIND EVERY **SUCCESSFUL MAN** IS A STRONG WOMAN

My wife Saroja G Nayak has been a pillar of strength to me over the years. She has been by my side through thick and thin, and has given me steadfast support in every way possible. We never faced difficulties, she has stepped up and risen to the occasion thus helping me tide over it. I am ever indebted to her for her rock solid support.

# HEART OF GOLD

My life Hacks Book Page no. 119

## THE SMALLEST GOOD DEED IS BETTER THAN THE GRANDEST GOOD INTENTION.

In an age where everything is ordered online, there is no personal touch or interaction with people. Relationships are hard to forge. Few people would go an extra mile to bring a smile on another's face. But here is a person I know who takes great pleasure in doing these random acts of kindness that touch the innermost chords of our hearts. Such people restore our faith in humanity and reiterate to us that goodness still prevails in the world...  
Go the extra mile, it's never crowded.

Our community caterer is one such person. I had called him home to discuss the menu for a small function that I intended to have. During the course of our conversation, I asked him if he had 'Patrani machi' (marinated fish wrapped in banana leaf and steamed) in his restaurant. He said no. I was quite disappointed. I told him I had planned to make it for my daughter who was 7 months pregnant then, but somehow hadn't gotten down to doing it. He then asked me whether I have the ingredients at home to which I said no. After finalizing the menu for the occasion, he left.

Within an hour, he returned with Patrani machi in his hand!!! We were simply stunned and deeply overwhelmed by his generosity of heart.

Believe it or not, he had gone to his friend's restaurant in Indiranagar and made it for us!!! We were speechless. He insisted that my daughter taste it in front of him. It was piping hot & fresh. We were totally awestruck.

We may forget what people said to us but we will never forget how they made us feel.

Truly he is an entrepreneur beyond compare. By sheer determination, grit, hard work & finer qualities of the heart, he has made a name for himself in the catering industry. Sona Caterers has become a name to reckon with in our community circles. He is now known as a 'Celebrity Chef' after catering for Deepika Padukone wedding at Lake Como.

Needless to say, he deserves to be where he is. The largeness of his heart speaks volumes of the person.

Do you go the extra mile for others...??  
Do you take the initiative to bring a smile on another's face...??

This is to appreciate excellent catering provided by M/s Sona Caterers Ganesh Nayak and Shrawan G Nayak on 10th Dec to 11th Dec on occasion marriage of my youngest son Ch. Nishith with Sou-Anisha also for Sathyanarayana Vartha on 12/12/19. We recollect with fond affection untiring services given by Sri Nayakmaram of Sona Caterer who is always positive in response to our short notice changes in menu. Nayakmaram has won hearts of newly wed couple by agreeing to every request made by them during the functions. Further his support staff including Sri Shetty have also been very much instrumental in catering even smallest requirements of our guests. It is overwhelmingly true that we from Karnath family & Amarnath family were really overjoyed by the catering services of Nayak mam & his team.

We wish him all the Best Always.

We are immensely happy to extend our deep appreciation for the lead role you have taken in organizing the inaugural function of our new project 'Inland Edition', at Yelahanka New Town, Bangalore on the 22<sup>nd</sup> November 2020.

The decor, sound system and photography were of a very high class and your staff attired in crisp uniform conducted themselves very professionally. Needless to say, the food was sumptuous, the quality outstanding and the dishes very aptly selected. These observations are not from us as builders alone, but the assembled guests and dignitaries also expressed deep appreciation for the service. The meal put a smile on the faces of all our guests and set the right tone for the day.

A special word of gratitude for Mr. Ganesh who with his personal presence ensured that the whole event went off like clockwork.

# Appreciation From Happy Customers

Our daughter / son in law were visiting us from the USA. As their stay was for a limited time, it was not possible for them to visit all the close relatives. However, they did desire to meet everyone. Hence, we decided to hold a small get together in the party hall of our apartment complex for high tea. Based on general feedback we wanted Sona to cater. However, we were not sure if Mr Ganesh Nayak would agree to cater to our requirements. This was because the number of our guests were only in the low 3 digits. From what I knew, Sona has catered to large events even having 5-digit number of guests.

However, our experience was extremely satisfying. Mr Ganesh Nayak was very supportive and had all the qualities one would expect from any service provider. Let me briefly summarise my experience

1. A positive response in the first call itself assuring the catering support
2. He sent me a very elaborative list of items from which we could select
3. He followed up with a personal visit to our home to see our party hall and also gave his valuable inputs in finalising the menu
4. For many of the items we selected, he undertook to prepare/ fry them at site and thus the guests enjoyed them fresh & hot eg Masala Dosa, Potato Bonda, Biscut Roti, etc
5. The team arrived on site at agreed time and were quite professional both in personal presentation & also the way food was served
6. As expected, my guests were indeed very pleased with the food served & enjoyed the same

This was my first experience in personally dealing with Mr Ganesh Nayak. It has indeed been a very pleasant & satisfying experience. Needless to mention we are now assured of a reliable "GO TO" person to meet all our catering needs for all occasions. Prompt response, high reliability, full involvement, tasty & good quality food and high level of personal commitment were the hallmark of Mr Ganesh Nayak's service and I could not ask for more!

Sona Caterers has made our community proud and wish Mr Ganesh Nayak the very best in all his endeavours

# Appreciation From Happy Customers

Our first meeting with Ganesh mam was during the wedding of our daughter in 2022 March.

We were impressed with his meticulous planning right from the word Go. He shared with us the different options in menus he was catering to for other weddings, sharing his ideas of what was the general trend in marriage specially during the covid times. Gave us suggestions of how to calculate the number of guests keeping in mind the covid situation. Since the groom was a non amchi, we had to have a balanced menu which would be liked and enjoyed by both the parties and Ganeshmam helped us here. His suggestions were so very helpful. The devkarya menu was a traditional one and was enjoyed by all our guests. On the D day, he was on time at the venue to serve lip smacking breakfast, snacks and lunch. He was like a family member striking a conversation with the guests at the lunch and making them feel at home. He took the effort to share information about the speciality of some amchi dishes to the guests during service.

Although it's more than a year now we and our guests still remember the excellent services rendered by Ganesh mam and his team. We take this opportunity to thank Ganeshmam and his team for the wonderful services rendered and wish them all the best.

Regards

The way to people's heart is through the stomach and Sona Caterers has been winning hearts for many years now...especially in the Konkani and Bunt community!

My family shares a long association with Sona Ganesh Nayak. He has catered at almost all community functions I attended since childhood. He has catered at my sister's wedding as well as my wedding, our house warming ceremonies, Satyanarayana pujas, Gowri-Ganesh festival etc... our trust in him and his food has only grown over the years!!

Sona's food has an exciting variety, is delicious and more importantly, appeals to all age-groups. Also, if there is someone who will have your back and stand like rock behind you during a big function, it is the ever-dependable Ganesh Nayak! It therefore comes as no surprise that he was asked to cater at celebrity Deepika Padukone and Ranveer's Singh's wedding in Italy.... thus achieving Celebrity Chef status! His son Shravan Nayak has now taken over the mantle & is doing a great job of keeping up the high standard and reputation that his dad has so painstakingly invested in over the years!

I would definitely recommend Sona Caterers, if you are looking for finger licking good Amchi-food that you want to remember for a very long time!

Regards

We had engaged the services of M/s Sona Caterers for my daughter's wedding at Bengaluru on 30th April 2023. Our requirement included the main wedding lunch and reception on the same day, apart from the morning breakfast and mid-morning snacks. Initially, I had this apprehension of any of the dishes going wrong since I had a big and elite guest list.

But all my concerns and fears were blown away after I had a talk with Mr Ganesh Nayak. From our initial consultation to the cleanup, Sona Caterers were thorough, and demonstrated professionalism and dedication to wholesome, real food. The team was a pleasure to work with and were always attentive to our guests. Their menu was extraordinary and the food extremely sumptuous, delicious and alive. It was a big point of discussion among all the guests – be it relatives, friends, colleagues and a formal set of invitees to the wedding. It was a relief having knowledgeable staff to work alongside. Most of our guests commented on how they have never had such tasty healthy food before. My family and I sincerely thank M/s Sona Caterers and its team and more particularly, Mr Ganesh Nayak for having taken genuine interest in the event and ensured his client was left with nothing but happiness and blessings from the guests. We would definitely use them again for any future events in our family.

Regards
